The League can impose fees or fines for teams that are not fully compliant prior to their first scheduled League game.

6.4 All team officials must familiarize themselves with and abide by the EMDSL Code of Conduct. Furthermore, they are to advise all players and parents of this policy.

Article 7. PLAYING FOR A TEAM TO WHICH A PLAYER IS NOT REGISTERED

7.1 A player registered on an Under-13 or older team may play for a team to which they are not registered only under the conditions as outlined in Ontario Soccer Policies and Procedures. These include policies for playing as a callup player, playing for a Club to which the player is not registered, and for the playing of a player not currently registered with Ontario Soccer. Any player not playing under one of these policies or procedures will be deemed ineligible to play.

In addition to the Ontario Soccer published Policies and Procedures the League further restricts playing for a Under-13 or older team to which a player is not registered as follows:

- a. the player cannot be registered with another team playing in the same division.
- b. the player is not currently suspended by any league or governing organization affiliated with Ontario Soccer.
- c. playing-up is controlled through the EMDSL Team Management System accessed through the EMDSL website. Once the player is approved by the Club, their name will appear on the game sheet with an indication they are a "call up". In addition to being printed on the game sheet, a valid Ontario Soccer ID Card, and a copy of the Ontario Soccer Team Roster Report (District approved roster sheet) for the team for which the player is registered shall be presented at the game, for the player to be eligible to play.
- d. a team may not use more than three (3) players, playing as call-ups, in any one League game. Players with a Temporary Eligibility Permit or a Short Term Registration Permit shall be included in the total of three (3) call-up players per game.
- g. a registered player may only be called-up to any team in a higher-tiered division or higher age group than the team for which they are registered. [Example 1: A U14 Tier 2 player could be called up a U14 Tier 1 game or to any team U15 or older.] [Example 2: If a player who is eligible by birth year to play U15 is registered to a U16 Tier 2 team, that player cannot play in a U15 Tier 1 game, but could be called up a U16 Tier 1 game or to any team U17 or older];
- h. a player registered to a Provincial, Regional, OPDL or Academy team may not be called up to play on any team in the EMDSL.

- k. U12 and younger development teams (Tier 1 and 2) may call up players from a recreational (Tier 3) team from their Club at the same age group as U12 and younger use the open roster format. (Pool Registration). Recreational (Tier 3) teams may call up from a Club recreational (Tier 3) team registered no more than one year below the team being called up to. All teams U12 and younger are expected to adhere to the Grassroots matrix as published and amended by Ontario Soccer.
- l. the age classification of a team for the purposes of call-ups and TEPs is based on their registration with Ontario Soccer. A team playing in a split age division (ex. Girls U15/16) can call-up players who are eligible under their Ontario Soccer team registration age, which may not necessarily be the division maximum age. For example, a team registered with the Ontario Soccer as a U15 team playing in a Girls U15/16 age division cannot call-up a U16 player. A team playing in the same division and registered as a U16 team with the Ontario Soccer can call-up a U16 player, subject to the restrictions outlined in rule 7.1.

Teams may choose to maintain a lower age classification registration with Ontario Soccer when playing in a split age division for the purpose of participation in tournaments or to ensure promotion eligibility to the desired age division for the following season. However, if they maintain the lower age classification, they cannot register older players to the team that plays in a split division. They must register to the age classification of the oldest player on the team.

Further note that once a eligibility concern is noted the applicable report must be filed with the League or District regardless of the outcome of the game. It is the responsibility of all registrants to ensure teams are playing eligible and properly registered players.

9.5 A player arriving after the player verification is completed may play, but first must report to the representative from the opposing team to complete the player verification process. The opposing team representative shall review the player credentials as soon as they are able, and once verified the player can join the team bench.

9.6 In exceptional circumstances, where a team official who is in possession of the valid Ontario Soccer ID Cards (and the District approved roster sheet for the team to which the player is registered) and any permits fails to appear prior to the start of a match a 20 minute grace period will be granted. If the documentation is not available before the grace period has expired, the game shall not be played, and the offending team will be subject to fees and fines as per the League Fees and Fines Schedule. The League will review these cases and will determine if the game will be recorded as a forfeit or if the game will be rescheduled to a later date.

All questions of player eligibility are forwarded to the District who will rule on the eligibility of the player. 10.3 Any team playing an ineligible player under an assumed identity shall forfeit any games where the ineligible player participated using the assumed identity. Any person aiding or abetting such action shall be subject to a disciplinary hearing and will be forwarded to the District for discipline. The team, its officials or players will be assessed penalties that the Discipline Committee imposes in accordance with Ontario Soccer Published Rules as well as any applicable fines as published in the League Fees and Fines Schedule. In the event of such situations as heavy rain, that occur during the evenings, or on weekends, when the field owner is unavailable, the authority to cancel a game rests with the game official. Match Officials should be relied upon to assist in this decision when the determination cannot be made prior to arrival at the game location. Safety of all participants is the primary objective and the League will not punish a Club or Match Official who supports a weather or air quality related decision not to play. The League will however, not support a situation where communication without the opponent does not occur and will review these matters under the Code of Conduct Policy.

16.4 At the end of the grace period, the team failing to field the minimum 7 players shall forfeit the game to the opposing team by a score of 3-0 (0-0 Grassroots) and be subject to a fine and costs as published in the League Fees and Fines Schedule. The game shall be automatically awarded to the opposing team by the score of 3 -0 (0-0 Grassroots) or the actual score at that time whichever is more advantageous to the non offending team. The Club and team officials of the offending team will be subject to the League disciplinary process and will be assessed penalties that the League Discipline Committee imposes in accordance with Ontario Soccer Published Policies, as well as any applicable fines as published in the League Fees and Fines Schedule. The District may also impose fines and or suspensions over and above any League Discipline.

16.9 If a game must be abandoned by the Match Official at any time after the game has started because a team is unable to field the minimum number of players, the said team shall be deemed to have forfeited the game. The Club may also be assessed any applicable fines as published in the League Fees and Fines Schedule after a review of the reasons for the abandonment.

16.10 If a game has to be abandoned by the Match Official at any time because a team removes itself from the field, and said team is found by the League Discipline Committee to have abandoned the game without valid justification, the said team shall be deemed to have forfeited the game. The game shall be automatically awarded to the opposing team by the score of 3-0 (0-0 Grassroots) or the actual score at that time whichever is more advantageous to the opposing team. Any applicable fines as published in the League Fees and Fines Schedule shall also be assessed. The team head coach or the next most senior team official whose name and signature appears on the game may be deemed to have acted in a manner detrimental to the game and the applicable penalties as per the Ontario Soccer Published Policies may apply.

16.11 If a game is abandoned by the Match Official before the completion of two halves for any reasons other than those published in Articles 16.7 to 16.10 of the EMDSL District League Rules and Regulations, the League League Management Board shall rule on the status of the game.

16.12 The home team is responsible for advising the League, in the event a game is not played due to the non-attendance of the Match Official.

Article 17. SCHEDULES

17.1 The season shall begin in May on a date to be determined by the League. Notice of the season start date will be posted on the League website.

17.2 The end of season date for all EMDSL District Divisions shall be 11:59 P.M. of the first Sunday before the Labour Day long weekend. All games must be completed by this date, except where the League extends the season for any/all divisions. The reasons for any such extension, and the period of the extension, will be communicated to affected clubs and teams at the earliest opportunity.

17.3 The rescheduling of games shall be in accordance with the League Reschedule Policy. All authorized game changes made after the game reschedule deadline will be subject to a fee as posted in the League Fees and Fines Schedule. All game reschedule requests must be entered into the League Team Management system after both teams have agreed to the date, time, and location of the change. Any game changes due to weather related issues that cannot be entered into the League Team Management System must be made via email to the League Scheduler email address as published on the website. The email must include the details of the original game and the agreed upon details of the rescheduled game.

17.4 The League reserves the right to move a team to a different division or tier at anytime during the season if deemed necessary to maintain a standard of fair play in that division.

17.5 The League reserves the right to make changes to the schedule at anytime. It is the responsibility of the Club and Teams to monitor the schedules on a regular basis throughout the season.

17.6 The League has the responsibility to create a schedule that works towards a balanced level of play. The League will use articles 17.4 and 17.5 to assist in creating this balance.

17.8. Scheduling, Rescheduling & Cancellation of Games

The League must approve all changes made after the final schedule is published to the League website.

As per 17.3 of the rules and regulations the two affected teams to any reschedule must agree upon a new time, date and location before submitting a Game Change Request to the League. The team which submits the original request must indicate which team is requesting the change or the submitting team will be deemed to be the requesting team. Once the submitting team has entered the request the confirming team will need to confirm the game change request in the League Team Management system. Once both teams have completed these steps the League will either approve or deny the change. The League will automatically deny any game changes in which the scheduling system returns a message that the new game location is already in use by another team or league. Once approved by the League, an email will be processed by the scheduling system to both teams, advising them of the approved change. This entry will also update the League Schedule on the website.

Game change requests for a reschedule to occur within 5 days should also be emailed to the League scheduler at the email address on the League website. This will ensure that the matter is reviewed on a timely basis and that there is a match official available for the proposed game change.

Game cancellations and weather-related abandonments.

The two affected teams must submit entry into the League Team Management System for any game that was cancelled or abandoned due to weather related issues. The two coaches will then reschedule this game in the normal manner. If the system will not allow the submitting team to enter the request, the agreed upon game change must be emailed to the League Scheduler at the email on the League website. The Scheduler will then add this game back into the system and advise the applicable teams. Weather and field related cancellations will not incur a game change fine. Any undue delays in the rescheduling of a game may cause the League to reschedule the game at a date, time and location at their discretion.

Unless twenty-four (24) hours prior notice is given to the visiting team, only the match official can determine if unplayable conditions exist at the field. Should a private club or City Parks & Recreation determine that unplayable conditions exist within less than twenty-four (24) hours' notice the postponed game will be rescheduled in the normal manner. League games scheduled within 48 hours prior to an Ontario Cup game may be rescheduled. It is the responsibility of the Clubs to notify the League and the opposing team of any Ontario Cup conflicts. Failure to notify the League within ten days of the conflict will result in a default of the League game.

Only the League can provide final approval of a game change. Games played without following the proper procedures will be deemed as not played and forfeit fees may be assessed to both teams.

Article 18. PLAYER SUBSTITUTIONS

18.1 Player substitutions are unlimited and shall be permitted at all stoppages of play, with the permission of the Match Official for all games in the Grassroots Divisions. Player substitutions are also permitted on the fly for the U8 and U9 age groups. For all games played in the 11v11 format, substitutions will only be allowed on Kickoffs, Goal Kicks or on a teams own throw in with the permission of the match official. The opposing team may also substitute with the permission of the Match Official on the throw in of the opponent where the opponent has requested a substitution. Injured players may be substituted for if they are required or must leave the field of play.

Article 19. MATCH OFFICIALS

19.1 Match Officials shall be appointed in accordance with the EMDSL Terms of League Operations.

19.2 Match Officials are required to be at the assigned game field a minimum of fifteen (15) minutes before the scheduled kick-off time to complete the standard field check and other pre-game procedures, including facilitation of the compulsory

checking of valid player Ontario Soccer ID Cards (and the Team Roster Report for the team to which the player is registered) and any applicable permits. Failure to do so will result in the match official being reported to the District for disciplinary action.

19.3 Match officials assigned for League games, shall be paid for their services in accordance with the fee schedule published on the League website. Match Official Fees for U13 and older games are at the direction of Ontario Soccer and may not be reduced by the League.

19.4 If one of the teams raises objections as to field conditions, goalposts, balls or team colours, the Match Official may, at their discretion, require the responsible team to correct the cause of the objection. The Match Official shall be the sole judge as to whether the matters that gave rise to the objection by one of the teams, is sufficient cause to abandon the game or require a stoppage to correct the objection.

19.5 In the event that the appointed Match Official(s) fail to appear by the appointed kick-off time, the home team will make every attempt to contact a Match Official as required for the level of match, or one of the Assistant Match Officials, if applicable, may assume the duties of the Match Official, if they meet the minimum requirements for the level of the match. If an Assistant Match Official assumes the duties of the Match Official, or if an Assistant Match Official does not appear for the game, or if the game is not assigned Assistant Match Officials, then the home team shall appoint an individual to monitor the touch line to flag balls in an out of play. The above is only applicable to games where Assistants are assigned.

19.6 The Match Official shall ensure that the well being of the players is given priority over the progress of the game. Consequently, the Match Official must suspend play or abandon the game, if necessary, where weather conditions, or field conditions place the safety of players or others at risk.

Article 20. GAME PROTESTS and MISCONDUCT

20.1 All matters requiring a hearing shall be dealt with by a committee appointed for that purpose.

Any concerns regarding the performance of a match official should be directed by email to the League referee assignor. The assignor will then investigate the matter and report to the League any matters of concern. Any disciplinary issues with respect to Match Officials should be directed to the District.

20.4 Field conditions, goalposts, balls or team colour infractions, are not considered as grounds for a protest. Objections of this nature shall be brought to the attention of the Match Official and noted in writing on the game sheet. If in the opinion of the Match Official, the objections do not constitute a valid reason for not starting the competition, no further action will be taken by the League. In any case of games not played due to the above the League may take appropriate action based on the review of the Match Official's report.

Game Protests

20.5 A game protest regarding the playing or outcome of a competition must be made in writing using the League Policy and Procedure Complaint Form found on the League Website outlining the grounds for the protest and delivered or emailed to the League Discipline Contact and League Secretary. The protest must be approved by the respective League Club Representative. Protests without Club approval will not be heard. It is strongly recommended that coaches that wish to file a protest do so through their League Club Representative first to ensure that the deadlines are met and that the prescribed protest fee accompanies the protest. A copy of the protest may be forwarded by the League to the opposing team once it is accepted as complete and the appropriate fee received by the League.

20.6 Protests not meeting all of the above requirements will be returned to the protesting club as invalid and will not be heard. **Note that all protests with respect to the eligibility of a player must be heard at the District level. The league will then act once the findings of the District are provided to the league. The league will forward any player eligibility protests to the district as received so Clubs may report to either the League or District for the protest to**

be considered. Note that the time frame for player eligibility reporting to the District is outlined in the Ontario Soccer Policies and Procedures. Protests received outside of these timelines will not be heard or forwarded.

20.7 The League Discipline Contact will send a notice within ten business (10) days, notifying the parties of the date, time, and location of a hearing if a hearing is required. A hearing may not be required where both clubs accept the protest as valid as written. The League may also use the Discipline by Review system where allowed under Ontario Soccer Policies and Procedures.

20.8 All valid protests shall be heard within 21 business days of being received by the League Discipline Contact unless there are extenuating circumstances that require an extension of this time frame. The League Discipline Contact will inform the respective Clubs if this deadline cannot be met.

20.9 In the event a protest is upheld, the protest fee will be returned in full. In the event the protest is denied, the discipline committee will decide whether to return the protest fee in full, or in part, or to declare that the protest fee be forfeited. Game points may be adjusted based on the decision of the committee on the said protest. Fines may be assessed in accordance with the EMDSL Fines Schedule or Ontario Soccer Policies and Procedures.

Code of Conduct Misconduct

Note that matters of Match Official Abuse or Assault are not heard under misconduct. In such instances, the Match Official in question files a referee assault form to Ontario Soccer, the District, and the League.

20.10 The League takes matters of misconduct directed toward or against any participant of any competition seriously. It has a zero-tolerance policy for abuse, or harassment of any kind, as outlined in League and Ontario Soccer Policies and Procedures. The League Code of Conduct is posted on the League website. If the matter can be resolved between the two parties a hearing may not be required. If a hearing is required, one will be scheduled within 21 business days of the incident, unless there are extenuating circumstances which require an extension to this deadline. The League is governed in these matters by its Code of Conduct Policy posted on the League website.

20.14 The League may assess penalties or sanctions in accordance with League or Ontario Soccer Policies and Procedures for misconduct.

If the accused person does not request a hearing or does not file an appeal within seventy-two (72) hours of the game where the offence occurred, not including weekends or statutory holidays, he/she may be found guilty and the applicable penalties and/or fines, established by the Ontario Soccer, or the EMDSL, for the offence for which he/she has been charged shall apply.
